CE Accreditation Process

We are targeting 1.0 CE Credit for every one hour of program content that we deliver and will update the event listing on our website to include the number of CE Credits as soon as we have received accreditation from The Institute. Once CE Credits have been issued, CE Certificates will be available online for printing by logging in to the member only section at www.advocis.ca. Non-members can contact the Advocis Vancouver office to request a non-member login.
